Managing Through Uncertainty

A FREE ZOOM WEBINAR FOR LINK TO AGING AND DISABILITY PARTNERS

Tuesday, May 12, 2020

9:30 am to noon

Link partners attending this informative and
stimulating presentation will explore and devel-
op ideas in these areas:

1. What they can control versus what is beyond
their control,
2. Remembering who they are by revisiting their
mission/vision/values and what made their
founders successful,
3. Framing the current crisis into one that is
constructive (a learning, game, gratitude, ran-
domness or hero frame).
4. Backcasting to reveal how to proceed over
the next several months,
5. Leadership versus management during times
of crisis,
6. Emotional handwashing (Resonant Leader-
ship versus Dissonant Leadership and Sacrifice
Syndrome)
7. Stress Management techniques for managing
through uncertainty.

You are invited to a Zoom meeting. You must register in advance for this meeting:
